PROPOSED DESIGN

A detailed rendering of a proposed luxury dining room. The room features a long, polished wooden dining table set for a formal meal with white plates, glassware, and silverware. The table is flanked by elegant, upholstered chairs with gold-colored frames. A large, ornate crystal chandelier hangs from the ceiling, which is adorned with a circular fresco depicting a winged figure. The walls are decorated with classical columns and large windows that offer a view of greenery outside. The floor is made of dark wood in a herringbone pattern. The overall atmosphere is one of sophisticated elegance.
