Two white light switches are mounted on the wall to the left of the shower enclosure.

A single white light switch is mounted on the wall between the shower enclosure and the bathtub.

The image shows a close-up of a decorative ceiling. It features a central, ornate floral medallion with symmetrical designs, including flowers and scrolling vines. This medallion is set within a large, inverted V-shaped recessed area. The recessed area is bordered by a decorative molding consisting of a series of small, rounded, repeating motifs. The entire ceiling is painted in a light, warm beige color. The lighting is soft, highlighting the intricate details of the molding and the central medallion.
