PROPOSED DESIGN

A detailed rendering of a proposed dining room design. The room features a long, polished wooden dining table set for a formal meal with white plates, glassware, and silverware. The table is flanked by elegant, upholstered chairs with gold-colored frames. A large, ornate crystal chandelier hangs from the ceiling, which is decorated with a circular fresco of a winged figure. The room is illuminated by natural light from large windows on the left and right, which are framed by decorative columns and patterned curtains. The floor is made of dark wood in a herringbone pattern. A vase of white flowers sits on the table. The overall atmosphere is one of classic luxury and elegance.
