The image shows a close-up of a decorative ceiling. It features a large, ornate, light-colored plaster medallion in the center, which is a triangular shape with a pointed top. The medallion is filled with intricate floral and foliate carvings, including two large flowers on the sides and a central floral motif. The medallion is surrounded by a wide, multi-layered border of decorative molding. The molding consists of several layers of lines and a row of small, rounded, shell-like ornaments. The overall color is a warm, light beige or cream. The lighting is soft, highlighting the texture of the plaster.

The image shows a close-up, low-angle view of a corner of a ceiling. The ceiling is painted a light beige color. There are several layers of ornate, carved wooden moldings in a matching light beige finish. The moldings form a series of nested V-shapes and decorative borders that converge towards the center of the corner. The lighting is soft, highlighting the textures of the paint and the intricate details of the carvings.
